DEBRA P. HACKETT, CLK  
U.S. DISTRICT COURT

CIVIL ACTION NO. 2:06cv767-MEF(WO)

**AMENDMENT TO PLAINTIFF'S OBJECTION TO THE RECOMMENDATION OF  
THE MAGISTRATE JUDGE**

Comes now the plaintiff and amends paragraph 4 in her objection to the recommendation of the Magistrate Judge as follows:

Plaintiff was absent from work at the postal service because she was being treated by her medical doctor for the job-related injury. Plaintiff's medical doctor provided proof to the service that she was being treated for the injury, however, the service made it appear that plaintiff's absence was unexcused and did not communicate with plaintiff's medical doctor regarding my treatment. The service terminated plaintiff's employment. Because of this fact it appears on plaintiff's record that's he was terminated for cause. Plaintiff would desire that the termination be removed and the record changed to reflect that she was separated form the service because of a medical disability.
